

who clearly loved Levi and—

*(Kara enters dressed for paintball but without a gun.)*

KARA

Where are the other groomsmen?

DOUG

Okay, so Care-Bare

KARA

Are they running late?

DOUG

I'm telling you. K. I sent out the invite for the bachelor party day, like you said— asked. Re-sent it. Uh most of the guys were unavailable?

KARA

Why would they be unavailable?

Wouldn't they have marked this in their calendars like months ago?

DOUG

Sure, yeah, but

KARA

But

DOUG

I think after it happened they were like,  
"Yeah we don't know if we wanna go."(?)

KARA

Why not?

DOUG

Why not what?

KARA

You're the best man: why are we alone in this soybean field, Douglas?

Where's the male camaraderie? Where is—. Father, Hi.

FATHER

Hello, Kara.

*(She goes to him and hugs him tenderly.)*

KARA

It means so much that you're here.

FATHER

I had the best time getting to know Levi in your Marriage Class.  
It's the / least I—

KARA *(To Doug)*

Okay so you called them and the groomsmen said— ?

DOUG

Isn't this, like, a little inappropriate?

KARA

Why?

DOUG

This is a bachelor party day for Levi and  
Levi isn't here.

KARA

Did you tell them what it was for?

DOUG

Uhh, I relayed—

KARA

Did you tell them what it was // for?

DOUG

Father?

KARA

Don't "Father" him. What?

Doug—

DOUG

I said Kara would still like to do the event.

FATHER

Maybe what Kara's saying—

KARA

Yeah you tell him.

FATHER

Is that this can be a way of honoring Levi, these events.  
Rather than celebrating his marriage, we can celebrate him.

DOUG

I'm gonna be staunch on this. That's not how people grieve.  
Care-bear.(?) You. Kara. You would like to paintball.

KARA

Obviously fucking everybody knows I would like to paintball.

DOUG

Screw it: Kara, I'm not Paintballing.

KARA

Why don't you like me?

DOUG

What?

FATHER

Why // don't we all—

KARA

I know you don't like me. I've said that to Levi in bed: You Don't Like Me.  
What is it? Is it something I said? Fucking what? Are you intimidated  
sexually? I'm not gonna apologize for talking about sex in front of Father, he's  
a grown man, we talk about sex in Catholic Marriage Class.

DOUG

It is widely known that this whole relationship was a head scratcher

KARA

According to whom?

DOUG

Huh?

KARA

WHOM. Whom thought this relationship was wack?  
Gimme names. I'll uninvite them to the reception.

DOUG

What are you talking about?

KARA

I would still like to have the reception because he did love to dance.

DOUG

We're not having a reception. We're not having the bachelor party. We're not having ANY OF THIS SHIT.

FATHER

Doug.

DOUG

Everybody's grieving. We're placating her---

KARA

MY FLANCE DIED!

DOUG

Selfish! God! It doesn't matter what you feel okay.

KARA

It matters what I feel. Fuck you it matters what I feel. The love of my life, he's dead! I get to feel the way I get to feel. Why won't you just fucking paintball with me?

DOUG

Paintball was our thing. It was a fratterly activity. I'm not gonna teach you to paintball in his WAKE.

KARA

I could learn though! I could learn and it could be really easy. If anybody took two fucking seconds just to fucking include me in something. How hard can it be? Load the fucking hopper. Load in with paint! Yeah I know it's called a hopper. I know it's a CO-2 tank. I know about O-Rings, It's not some secret language fucking scrawled on a rune, you asshole I don't need some fucking Rosetta Stone to teach me how to paintball I need five fucking minutes of your goddamn time. Give me that gun!

FATHER

Hey!

DOUG

No.
